Surah Ad Dhariyat – Ayah 20

- (And on the earth are signs for those who have Faith with certainty)
- Allah (swt) is calling the people to the worship of tafakur. You can’t do it without having a base, without believing in Allah (swt) and there is a boundary – you cannot do tafakur in Allah Himself – we cannot reach that.

- This includes all of the earth and what’s on it: from mountains, seas, rivers, trees, and plants.
- It also includes all the incidents that take place on earth: like volcanoes, earthquakes, eclipses, flood, rains.
- Signs, it’s the plural for آية, which means a clear signal.
- Notice that ayat is undefined, this means it includes all types of ayat for example, what happens on the earth, what happens to us are all signs for (لا اله الا الله).
- These signs are there to take you back to your fitra, but who will benefit?

- The one who has yaqeen has no doubts whatsoever. If there are doubts, then the ayat will not benefit him. So the key to the ayat are yaqeen. It shows that benefitting from the signs begins with yourself.
- The yaqeen that a person has will not be removed with doubt, it’s not yaqeen in the first place, it’s just knowledge, subhan Allah. If you have yaqeen in Allah (swt), no one can make you doubt or change your view.
- Everything on this earth is a sign to show you that this is the reality of life. But it’s for those with yaqeen who will benefit from these signs (لموقعين) – the ones who have yaqeen.
For example, there are those who went to space, and it didn’t increase them in faith, rather it made them deviated and believe in science alone, subhan Allah.

- The signs on earth show you (الآيات الأرضية):
  - the power of Allah (swt) (القدرة)
  - the greatness of Allah (swt) (العظمة)
  - the mercy of Allah (swt) (الرحمة)
  - the wisdom of Allah (swt) (الحكمة)

- With these ayat, Allah (swt) wants us to have more insight (يتبصر بها الإنسان). We can’t see Allah (swt) with our eyes, but we need to see the signs and believe in Him in our hearts.

- Don’t deal with Allah (swt) with doubts, deal with Him with certainty.

*May Allah (swt) make us benefit and apply this ayah, may we be of the muqaneen. Ameen.*
