Visual Nurturing

Day 11

11 رمضان 1440
17.5.19

Allah created everything for a purpose. Look at the perfection of the universe around you, everything has a purpose.

أَلَمْ تَرَ كَيْفَ ضَرَبَ اللَّهُ مَثَلًا
كَلِمَةً طَيِّبَةً كَشَجَرَةٍ طَيِّبَةٍ
أَصْلُهَا ثَابِتٌ وَفُرُوعُهَا فِي
السَّمَاءِ

Have you not considered how Allah presents an example, [making] a good word like a good tree, whose root is firmly fixed and its branches [high] in the sky?

تُؤْتِي أَكْلَهَا كُلَّ حِينٍ بِإِذْنِ رَبِّهَا وَيَضْرِبُ اللَّهُ الْأَمْثَالَ لِلنَّاسِ لَعَلَّهُمْ يَتَذَكَّرُونَ

It produces its fruit all the time, by permission of its Lord. And Allah presents examples for the people that perhaps they will be reminded

سورة إبراهيم
14:24-25

The best way to establish anything is to have a foundation first so that the fruit is abundant. It may look like it is the long way, but it is better to be stable and to start small.

Allah sets forth a parable, of a goodly tree, which resembles the declaration of tawheed. A good word is like a good tree. All good deeds and manners are included in this. This tree is firmly rooted, its roots going deep in the earth. It's branches spread out, reaching to the sky. When the roots are strong, the branches

spread wide, and have benefits.

The roots and the foundation is لا إله إلا الله, the faith. The message goes high in the sky, like the branches reaching out to the sky. When a deed is based on tawheed, it is raised high, and spreads wide. The One who nurtures the creation, shows the results of the good deeds. Everything has an impact when it is based on faith. When you say good words with a good intention, it will flourish and be established. When the word is good, but the heart is not, then it is useless. A good word will penetrate a good heart.

The tree of faith is firmly rooted in the heart of the believer. He speaks with belief and evidence. The good word are the branches of the tree of faith. All his actions and deeds will be raised directly to Allah, above the seventh heaven, because of his faith. There is no hypocrisy in his actions. Everything he says has an impact and benefit, even thousands of years after his death. We see this with the ancient scholars; they had good hearts, so Allah made their words remain. Our lives are made valuable with our belief. So strive to act with belief.

It is the mercy and generosity of Allah that He relates this parable to us, and teaches us and clarifies the best way.
