Day 14

14 رمضان 1440
20.5.19

Surah Al-Hajj is about your strive towards Allah. There is a sajdah in the ayah, which is submission translated. The name Allah includes all His names and attributes.

This ayah shows us people in the journey of life, believers and disbelievers. The disbelievers show their disbelief in numerous ways, by arguing, mocking, and following different religions. The honour is only when you make sujood to Allah, showing your submission to Him. Then Allah will guide you to do good deeds. Both the believers and disbelievers will see the majesty of Allah.

Allah is the One to whom all the creation makes sujood. Everything submits to Allah, whether they are عاقل, having an intellect, such as the angels, humans and jinn, or غير عاقل, not having intellect, such as the sun, moon and stars. All the moving creatures on earth, as well as what we view as objects and landmarks, such as the mountains and trees.

If a disbeliever realizes this, he will know he is wrong. When a believer sees it, he will not be proud of his deeds. Allah does not need our worship, and our sins and evil can't harm Him. When you prostrate to Allah, you are in harmony with the universe. Allah is Greater than your worship and your strive. The punishment is ordained for those who don't prostrate to Allah.

The one who submits to Allah is actually honoured by Allah to do this. It is not their action, it is a favour from Allah, who gives you this opportunity. No one can help the one who doesn't submit to Allah, and no one can honour them. At the same time, no one can humiliate the one whom Allah honours.

Allah does what He wants. No one can oppose or resist His will. All the creation submit, willingly or unwillingly, to His Majesty and Might. He is the Praiseworthy.

أَلَمْ تَرَ أَنَّ اللَّهَ يَسْجُدُ لَهُ مَنْ
فِي السَّمَاوَاتِ وَمَنْ فِي الْأَرْضِ
وَالشَّمْسُ وَالْقَمَرُ وَالنُّجُومُ
وَالْجِبَالُ وَالشَّجَرُ وَالْدَّوَابُّ
وَكَثِيرٌ مِنَ النَّاسِ وَكَثِيرٌ حَقَّ
عَلَيْهِ الْعَذَابُ وَمَنْ يُهِنِ اللَّهُ
فَمَا لَهُ مِنْ مَكْرَمٍ إِنَّ اللَّهَ يَفْعَلُ
مَا يَشَاءُ ۗ

Do you not see that to Allah prostrates whoever is in the heavens and whoever is on the earth and the sun, the moon, the stars, the mountains, the trees, the moving creatures and many of the people? But upon many the punishment has been justified. And he whom Allah humiliates - for him there is no bestower of honor.

Indeed, Allah does what He wills
