## Visual Nurturing

### Day 15

15 رمضان 1440  
21.5.19

Allah motivates and encourages us by His tangible signs, by looking at them.

These tangible signs of Allah show His Oneness and Perfection. They encourage

and strengthen our attachment to Allah.

Allah sends the rain from the sky. When you see this with your eyes, it will strengthen your faith. The rain falls from the sky, on barren land. This rain water will make the earth become alive and flourish, green and colourful. The One who does all this is Worthy of your attachment. He can make whatever is dead and disabled alive again, with His Power.

ألم تر أن الله

ترغيب في النظر بآياته الدالة على وحدانيته وكماله

أنزل من السماء ماء

المطر من السماء على ارض مجدبة

فتصبح الارض مخضرة

يحيي الارض الميتة

إن الله لطيف خبير

Allah is the Most Gentle and Subtle, the All-Aware. He renews life very gently. He knows where to place the water, so that it triggers the growth. He knows which admonition will hit the heart, which information will open the chest. He brings everything to life without shocking you, so that you see the results slowly.

The heart which doesn't know Allah is also dead. So Allah will bring the rain in the form of news, commands, decrees, gently, to make the heart alive.

Allah brings all the goodness, and protects from all the evil, in a gentle and subtle way.

أَلَمْ تَرَ أَنَّ اللَّهَ أَنْزَلَ مِنَ السَّمَاءِ  
مَاءً فَتُصْبِحُ الْأَرْضُ مُخْضَرَةً  
إِنَّ اللَّهَ لَطِيفٌ خَبِيرٌ

Do you not see that Allah has sent down rain from the sky and the earth becomes green? Indeed, Allah is Subtle and Acquainted

لَهُ مَا فِي السَّمَاوَاتِ وَمَا فِي  
الْأَرْضِ وَإِنَّ اللَّهَ لَهُوَ الْغَنِيُّ  
الْحَمِيدُ

To Him belongs what is in the heavens and what is on the earth. And indeed, Allah is the Free of need, the Praiseworthy
