Day 16

1440 رمضان 16

22.5.19

The words ألم تر in Surah Al-Hajj are to bring a stronger attachment with Allah.

Allah tells you to see with your heart and your eyes, His blessings and vast favours.

Allah has subjected all that is on earth for mankind, for their benefit. This includes animals, objects and plants.

These can be used for the benefit of mankind, whether they ride the animals, or eat them, or use them in another way for their benefit.

Allah has made everything available and approachable for mankind, so that we use them all to worship Allah, by being attached to Him.

The ships are also subjected to mankind. They sail in the sea, by the command of Allah. They are a mode of transport, used for carrying people to their destinations. They are also used to transport goods, and

أَلَمْ تَرَ أَنَّ اللَّهَ يَسْخَرُ لَكُمْ مَا فِي
الْأَرْضِ وَالْفَلَكَ تَجْرِي فِي
الْبَحْرِ بِأَمْرِهِ وَيُمْسِكُ السَّمَاءَ
أَنْ تَقَعَ عَلَى الْأَرْضِ إِلَّا بِإِذْنِهِ
إِنَّ اللَّهَ بِالنَّاسِ لَرَءُوفٌ رَحِيمٌ
Do you not see that Allah
has subjected to you
whatever is on the earth
and the ships which run
through the sea by His
command? And He
restrains the sky from
falling upon the earth,
unless by His permission.
Indeed Allah , to the
people, is Kind and
Merciful
سورة الحج
22:65

ألم تر أن الله

الم تشاهد ببصرك و قلبك

نعم ربك و أياديه الواسعة

١ سخر لكم ما في الارض

حيوانات و جمادات و نباتات فجميع ما على الارض مسخرة لبني آدم

لانتفاعه و ركوبه أكله

٢ والفلك تجري في البحر بأمره ← بأمر الله سخرها لكم

و سخر لكم السفن تحملكم و تحمل

أثقالكم و تجاراتكم

و تستخرجون منها حلية تلبسونها

٣ و يمسك السماء أن تقع على الارض الا بإذنه

فلولا رحمته و قدرته لسقطت على الارض

إن الله بالناس لرؤوف رحيم

for trade. With the help of ships and boats, you can reach the deep seas, and find from its waters, precious pearls and corals, which are used to make jewellery. Without the command of Allah, we couldn't have used these modes of transport.

Allah is the One who holds the sky from falling on to the earth. Don't take things for granted. We take the sky as being above us as default status. But this is by the permission of Allah. Renew your faith and attachment to Him. If it hadn't been for the mercy and ability, the sky would have fallen on our heads.

Allah makes our eyes look beyond the surface. The One who makes everything happen, is to His creation, full of compassion and mercy. He wants all the goodness for us.
