## Day 7

7 رمضان 1440

13.5.19

### التربية البصرية

There are people who disbelieve, and encourage others to follow them. Allah pinpoints the bad behaviour of the Yahud, they have a very jealous and wicked behaviour.

They were given a Book, and someone who has been given even a small portion of the Book should be better people, and guide others to the straight path. But their behaviour doesn't reflect it.

الم تر الى الذين اوتوا نصيبا من الكتاب

يؤمنون بالجبث والطاغوت

الايمان بكل عبادة لغير الله

السحر و الكهانة و عبادة غير الله و طاعة الشيطان

ويقولون للذين كفروا هؤلاء اهدى من الذين آمنوا سبيلا

اجهل الناس

اضعفهم عقلا

اعظمهم عنادا

الحسد و الكفر

Don't be deceived by the people of the Book. Their actions are an indicator of their faith.

The faith must have an impact on the behaviour. They believe in falsehood, in worshipping others rather than Allah, and judging with anyone rather than Allah. They will indulge in any wicked behaviour, such as magic, fortune telling. They will obey the shaitan. This is not the behaviour of someone with a Book.

أَلَمْ تَرَ إِلَى الَّذِينَ أُوتُوا  
نَصِيبًا مِّنَ الْكِتَابِ يُؤْمِنُونَ  
بِالْحَبِثِ وَالطَّاغُوتِ  
وَيَقُولُونَ لِلَّذِينَ كَفَرُوا هَؤُلَاءِ  
أَهْدَىٰ مِنَ الَّذِينَ آمَنُوا سَبِيلًا  
Have you not seen those  
who were given a  
portion of the Scripture,  
who believe in  
superstition and false  
objects of worship and  
say about the  
disbelievers, "These are  
better guided than the  
believers as to the  
way"?

سورة النساء

4:51

The reason for their transgression is that they are jealous, and they disbelieve in Allah. This is so overpowering, that it covers any knowledge they have of the Book. They follow their desires. This is very dangerous, because when someone who looks religious indulges in falsehood, people notice and think it's right. The one who is loyal to Allah will never follow any other way, even if the other way looks good and is attractive.

They promote ways which are contrary to the deen, even if it is more difficult, which is the case of innovations. The one who behaves in this way is the most ignorant, the weakest in intellect, and the most stubborn. Don't be deceived by them, and don't be like them either.

Make the way of the truth more defined for the people. Allah curses the one who spreads the wrong information, while looking as if he is on the truth. No one can give him victory. Someone who is following their desires is misled 180 degrees.
