When you submit to Allah, This is an honour. The one who doesn't submit is humiliated. Allah nurtures the believers so that they submit to the decree. No one can resist the word of Allah, or go contrary to it.

The believers will be victorious and successful, they will

establish the deen. The angel messengers and the human messengers are all from the army of Allah. Anyone who stands for the truth will surely attain victory. The word of Allah is already present in the Preserved Tablets.

Turn away from those who oppose Allah, and watch what happens to them. They hasten for the punishment of Allah. When the punishment comes, this will be the worst day for them. They plot and mock and insult Allah, and ascribe faults to Him. So we must glorify Allah, negate all imperfections and faults from Him, by making tasbeeh.

The kuffar are talking and insulting, but Allah says wait. Make tasbeeh to withstand their evil. Allah is the Rabb of the might, He is Honourable even if so many insult Him. Nothing affects Allah, and this is nurturing for you. Nothing affects the messengers either, they are at peace, free of sins, protected by Allah. Whoever follows them is also at peace. Allah nurtures you with honour and protection and safety, and He deserves all the praise.

سُبْحَانَ رَبِّكَ رَبِّ الْعِزَّةِ عَمَّا  
يَصِفُونَ

Exalted is your Lord,  
the Lord of might,  
above what they  
describe

وَسَلَامٌ عَلَى الْمُرْسَلِينَ

And peace upon the  
messengers

وَالْحَمْدُ لِلَّهِ رَبِّ الْعَالَمِينَ

And praise to Allah,  
Lord of the worlds
