

Universal Nurturing

Day 4

4 رمضان 1440
9.5.19

There is always a war between truth and falsehood, and the truth always wins in the end.

Allah nurtured us with His Lordship in different ways, so that we can accept the command.

Allah extracts the best worship from you by bringing forth different situations. This makes us ready to receive the command or the decree. There is a purpose for the nurturing, it is for your worship and obedience. The one who nurture you has the most perfect names and attributes. He is the One you worship with love and magnifying. Universal nurturing is to make you worship Allah alone.

Your Nurturer created the heavens and the earth, such a vast and perfect universe, showing the Greatness of the Creator. When you know He created all the universe, in 6 days, from Sunday to Friday, and no fatigue touched Him, this makes you attached to Him all the more.

In *كن فيكون*, there is no time to attach. Everything takes time. After He created the heavens and the earth, He Rose over the Throne, in a manner which suits His Majesty. The Throne is the ceiling of the universe. He decrees and and commands. He doesn't neglect us, He takes care of us.

The succession of the day and night also help in our nurturing. The night covers everything with darkness, and most of the creation rests and rejuvenates. In the day, people are busy working, earning their livelihood. In the night everything is at peace and things slow down. This renews our strength. This succession of day and night will continue until the Day of Judgement. All this affects us to worship only Allah. Everything is taken care of, every detail thought of and executed. This makes you so happy, Allah takes care of everything for you.

The sun, moon, and stars are subjugated by the command of Allah, to serve the human beings. Everything is according to a system, and this shows the mercy of Allah. This shows His ability. The perfection of the system shows His perfect wisdom and vast knowledge. All the creation, small and big belong to Allah. The rules and legislations are set by Him. This is His Lordship. Nurturing attaches you to Allah. His goodness encompasses everything. He is the most Blessed One Himself, and His nurturing is also blessed. It brings the best from us.

إِنَّ رَبَّكُمْ اللَّهُ الَّذِي خَلَقَ
السَّمَاوَاتِ وَالْأَرْضَ فِي سِتَّةِ
أَيَّامٍ ثُمَّ اسْتَوَىٰ عَلَى الْعَرْشِ
يُغْشِي اللَّيْلَ النَّهَارَ يَطْلُبُهُ
حَثِيثًا وَالشَّمْسَ وَالْقَمَرَ
وَالنُّجُومَ مُسَخَّرَاتٍ بِأَمْرِهِ ۗ أَلَا لَهُ
الْخَلْقُ وَالْأَمْرُ ۗ تَبَارَكَ اللَّهُ رَبُّ
العَالَمِينَ

Indeed, your Lord is Allah, who created the heavens and earth in six days and then established Himself above the Throne. He covers the night with the day, [another night] chasing it rapidly; and [He created] the sun, the moon, and the stars, subjected by His command.

Unquestionably, His is the creation and the command; blessed is Allah, Lord of the worlds
